Haverford Township

1014 Darby Road Havertown, PA 19083 (610) 446-1000 App. No.: Date: Fee:

Application for Grading Permit

Regulating Grading, Drainage, Sediment and Erosion Control

Grading Permits Are Required For:

- All construction or development activity that will result in disturbance of ground and include the installation of impervious surface in excess of 200 square feet.
- Construction or site improvements associated with a subdivision and/or land development
- Any other construction or development activities identified in Township Codes as being regulated and required per Chapter 78, Erosion and Sediment Control; Stormwater Management

*All construction or development activities that result in a cumulation of 500 square feet or more of impervious surface on a lot since 2005 also requires stormwater management.

Location of property:
